New investment plan in IFFCO

512. SHRI LALIT SURI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether Indian Farmers Fertilizers Co-operative Limited (IFFCO) has recently embarked upon a one billion dollar investment plan;

(b) if so, the details thereof; and

(c) to what extent the production of fertilizers would be increased as a result of this plan, the extent to which the country's requirement in this field would be met and the extent to which agricultural production would increase?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI RAM VILAS PASWAN). (a) and (b) Yes Sir. The details of the Projects proposed to be set up by IFFCO are placed at Statement (See below).

(c) After implementation of the these projects production capacity of DAP/NPK plants of IFFCO will increase by 1.8 million tonnes per annum and that of Urea by 0.5 million tonnes per annum. This increase in fertilizer production will partly offset imports and is expected to enhance agricultural production.
